Roadside cleanup is stressed

April 19 to 27 were designated by the Michigan Department of Transportation (MDOT) as Adopt-a-Highway Spring 2008 highway clean up days. Eaton County commissioners Carol Strachan (District 4) and Mike Hosey (District 1) were out this past weekend doing their part to keep the roadside clean and attractive. Commissioner Strachan initiated the project and serves as its coordinator for the Eaton County Democratic Party. Howard Pizzo of Delta Township serves as co-coordinator. Currently 3,000 groups are participating in the program statewide and have adopted nearly 7,000 miles of Michigan highways. The next clean up dates are July 12-20 and volunteers are always needed. Anyone interested may contact Commissioner Strachan at (517) 896-8174.
